Singapore, 28 April 2025 – Resorts World Sentosa (RWS, 圣淘沙名胜世界) invites gourmands to elevate their Dragon Boat Festival celebration, also fondly known as the Rice Dumpling Festival, with an exclusive collection of handcrafted, exquisite rice dumplings from the resort's renowned Cantonese restaurant, Feng Shui Inn (风水廷精品粤菜馆).

Available for orders from **now to 31 May 2025**, this year's dumpling collection showcases the culinary team's unwavering dedication to exceptional quality and authentic flavours through the use of pearl glutinous rice—treasured for its delicate texture and sublime mouthfeel, creating an extraordinary texture that is luxuriously plump and more satisfying in every bite, as compared to ordinary glutinous

rice. This exclusive collection features two irresistibly savoury dumplings and one sweet dumpling, all crafted to perfection.

Dried Seafood Steam Dumplings

A luxurious treasure trove of premium seafood awaits in each **Dried Seafood Steam Dumpling**, where succulent abalone, plump dried scallops, and golden shrimp take center stage. These delicacies are complemented by beloved classics—velvety salted egg yolk, melt-in-your-mouth pork belly, and umami-rich shiitake mushrooms—creating an exquisite symphony of land and sea flavours to tantalise the tastebuds.

Yunnan Wild Mushroom & Fish Maw Dumpling

Every **Yunnan Wild Mushroom & Fish Maw Dumpling** showcases rare wild mushrooms, hand-selected from the mountains of Yunnan. These prized delicacies — porcini, and sarcodon imbricatus mushrooms are delicately balanced with nutrient-rich fish maw and premium dried seafood treasures, including abalone and scallops. The addition of salted meat transforms each bite of this dumpling into a deeply satisfying umami experience, revealing intricate layers of complex flavours and textures that celebrate the essence of gourmet Chinese cuisine.

Each savoury dumpling is best paired with our complimentary bottle of Feng Shui Inn's signature XO sauce — a rich, aromatic blend of dried scallops, shrimp, and premium spices that transforms each bite into an extraordinary culinary experience.

Trio Date Sweet Dumpling

A decadent treat for those with a sweet palate, the **Trio Date Sweet Dumpling** unfolds as an elegantly crafted vegetarian delight. This refined creation harmoniously combines three treasured Chinese dates— southern jujube, honey dates, and red dates — each variety carefully selected for its distinctive flavour profile and wellness properties. At the dumpling's heart lies a silken red bean paste, its sweetness elevated by the natural caramel notes of the dates, all embraced by pearl glutinous rice enriched with nutrient-rich quinoa. The result is a captivating textural symphony that delivers both nostalgic comfort and sophistication with every bite, best paired with our complimentary Sweet Tangerine sauce that adds a bright, citrusy dimension to this exquisite, sweet creation.

Perfect Pairing: Premium Chinese Tea Set

To perfect this festive offering, an exceptional **Premium Chinese Tea Set** is available at an exclusive price from S\$88 with dumpling bundle purchases. This curated collection includes the finest Imperial Pu'er Tea (75g), celebrated for its rich earthy notes, that beautifully complements savoury dumplings, and Premium Jasmine Tea (75g), creating a perfect harmony with the sweet dumpling variety.
